Mr. John Nelson  
Select Committee on  
Intelligence, Staff  
United States Senate  
Washington, D.C. 20510

John:  
John,

The Office of Personnel is quite concerned about the restrictive language in the HPSCI draft on Section 701 for the Authorization Conference report. The text on page 13 (attached)--declaring personnel management and compensation to be an item of special congressional interest--is particularly troublesome.

OCA has, at [ ] direction, been dealing with Charlie Battaglia on this issue. They have provided the attached to Charlie. I would appreciate it if you could help broker the suggested changes in the language.

Sincerely,

[ ]  
Daniel A. Childs, Jr.
